A certificate from banker as per format provided with schedule-N, indicating limits sanctioned to the bidder and the extent of utilization as on date.
- 1.05 **Manufacturing Experience:** The indigenous manufacturer must have manufactured & supplied **at least 20%** of the tendered quantity of **DPC Copper winding wires & DPC Copper Strips** to government/government undertaking power utilities directly during last **5 calendar years**. The tenderer shall have to submit the details in following proforma.

**Table- ME**

Year	Complete postal address including designation of authority placing order	Order no. & date	Quantity Ordered (Kg.)	Qty. supplied during the year (Kg)	Balance quantity to be supplied against orders in hands (Kg.)
1	2	3	5	6	7
Calendar Year 2019					
Calendar Year 2020					
Calendar Year 2021					
Calendar Year 2022					
Calendar Year 2023					

The tenderer shall have to submit self attested copies of purchase orders and/or dispatch instructions to substantiate the above details failing which their bid shall not be considered. If tenderer does not submit the proforma & only encloses the copies of purchase orders & dispatch instructions, then their bid may not be considered.

- 1.06 **Operational Experiences:** The manufacturer must have supplied **DPC Copper winding wires & DPC Copper Strips** to government/government undertaking power utilities directly during last **5 calendar years**, Offered material should have given **3 years** proven trouble free operational service in tropical climate prevailing in India.
- 1.07 **Production Capacity :-** The annual production capacity of manufacturers should be **minimum 50%** of tendered quantity. The tenderers shall submit details of **DPC Copper winding wires & DPC Copper Strips** manufactured during Calendar year 2023, at their works in following proforma:

**Table PC**

Month/Year	DPC Copper winding wires & DPC Copper Strips
Jan.2023	
Feb. 2023	
March 2023	
April 2023	
May 2023	
June 2023	
July 2023	
August 2023	
September 2023	
October 2023	
November 2023	
December 2023	

The independent chartered accountant's certificate with UDIN shall be enclosed in support of above, failing which the bid shall not be considered.

- 1.08 **Minimum quantity to be quoted :-** 50% of the tendered quantity of each item.
- 1.09 **Testing Facilities :-** The tenderer must have all necessary facilities at their works for carrying out such routine and acceptance tests as prescribed in the relevant ISS and any other routine and acceptance test as specified in the specification. Documentary evidence of existence of such facilities will be filed along with the tender.
- 1.10 **Type Test :-** The offered equipment must have been fully type tested from NABL accredited lab as per relevant ISS and/or any other specified international standards during the last 5-year period to be reckoned from the date of opening of tender. Photocopy of such type test reports/certificates must be submitted along with tender bid.
- 1.11 **Blacklisting/Debarred:-** The bidder should not be blacklisted/debarred from business in any government/semi government/PSU/Local bodies etc. at the time of bid opening.
