

PRE QUALIFYING CONDITONS FOR TENDERERS

These pre qualifying requirements (PQR) shall prevail over the pre qualifying conditions mentioned in instructions to tenderer's or anywhere in the tender document.

1. Manufacturer :-

The tenderers shall themselves be indigenous manufacturers or accredited representative of manufacturer of 11 KV vacuum interrupters.

2. Turn Over :

The Bidder should have a minimum average annual turnover (MAAT) of Rs. 1.50 Crores per annum for best three financial years out of last five financial years. The audited balance sheet/CA's certificate with UDIN number shall be enclosed in support of above, failing which the bid shall not be considered.

3. Operational Experiences:

The firm must have supplied 11 KV vacuum interrupters to government/ government undertaking/power utilities directly or through EPC contractor and should have given three year proven trouble free operational service in tropical climate prevailing in India.

- 4 Manufacturing experience:** The indigenous manufacturer must have manufactured at least 20% of the total tendered quantities of 11 KV vacuum interrupters during last five calendar years. The manufacturing experience of only last five Calendars Years (**Year 2017, Year 2018, year 2019, year 2020 and year 2021**) shall be considered for eligibility of tenderer. The firm shall have to submit the details of manufacturing during last five Calendars Years in following proforma:-

Table- ME

Year	Complete postal address including designation of authority placing order	Order no. & date	11 kv vacuum interrupter (Make)	Quantity Ordered (Nos.)	No of 11 kv vacuum interrupters supplied during the year	Balance quantity to be supplied against orders in hands
1	2	3	4	5	6	7
Calendar Year 2017						
Calendar Year 2018						
Calendar Year 2019						
Calendar Year 2020						
Calendar Year 2021						

The tenderer shall have to submit self-attested copies of purchase orders and/or dispatch instructions to substantiate the above details failing which their bid shall not be considered. If tenderer does not submit the proforma and /or only encloses the copies of purchase orders & dispatch instructions, then their bid may not be considered.

The independent chartered accountant's certificate shall be enclosed in support of above, failing which the bid may not be considered.

5. Minimum quantity to be quoted :-50% of the tendered quantity of each item.

6. Testing Facilities:

The manufacturers must have all necessary facilities at their works for carrying out such routine and acceptance tests as prescribed in the relevant ISS and any other routine and acceptance test as specified in the specification. Documentary evidence of existence of such facilities will be filed along with the tender.

7 Type Test:

The firm should have type test reports of the offered items as per GTP /relevant ISS/Technical specification during the last 5-year issued from CPRI/ERDA NABL accredited laboratory .

Note: 1- Any Certificate issued by the Chartered Accountant must have Unique Document Identification Number (UDIN) failing which the C.A. certificate may not be considered.

- 2. All statements and claims regarding turnover, operational and manufacturing experience and production capacity should be duly supported by authenticated copies of documents without which the tender is liable to be rejected summarily. PVVNL may call the tenderer to produce original purchase order/despatch instruction or any other document for verification of submitted documents during the evaluation of their bid. The bidder is also required to submit an affidavit on stamp paper regarding the firm not being blacklisted by any government utility any where in India. If any information provided by the bidder is found to be concealed, suppressed or incorrect at the later date, may lead to not only the cancellation of purchase order, if placed by on the tenderer, along with imposition of financial penalty and business debarment.**

Note: If the firm is qualifying all the prequalifying criteria and participating first time for tendered item or have not supplied similar item in PVVNL, the factory inspection may be carried out for certain parameters as manufacturing/ operational experience /production capacity, financial capabilities and certain NOC from competent authority as: for security clearance for fire and accidents and other regulatory requirements. If the firm do not meet out the required criteria for factory inspection , the bid of the firm shall not be considered for further evaluation.

PVVNL reserves the right to waive minor deviation if they do not materially affect the capability of the applicant to perform the contract.
