(Similar ratings and higher rating) (for each item)	Qty. supplied during the year (Similar ratings and higher rating) (for each item)	Balance quantity to be supplied against orders in hands
1	2	3	4	5	6
2019					
2020					
2021					
2022					
2023					

5. The tenderer shall have to submit self-attested copies of purchase orders / dispatch instructions to substantiate the above details failing which their bid may not be considered. If tenderer does not submit the proforma & only encloses the copies of purchase orders & dispatch instructions, then their bid may not be considered.

The tenderer should be able to supply minimum 20% of the quoted quantity per month to PVVNL.

6. **Minimum quantity to be quoted** :-50% of the tendered quantity of tendered item.

7. **Testing Facilities:**

The tenderer must have all necessary facilities at their works for carrying out such routine and acceptance tests as prescribed in the relevant ISS and any other routine and acceptance test as specified in the specification. Documentary evidence of existence of such facilities will be filed alongwith the tender.

8. Type Test:

(A) For indigenous bids or fully imported bids:

The offered equipment i.e. 33 KV outdoor CT must have been fully type tested from CPRI/ERDA/NTH as per relevant ISS and/or any other specified international standards during the last 5-year period to be reckoned from the date of opening of tender. Photocopy of such type test reports/certificates must be submitted along with tender bid. The type test certificates of proto type manufactured and tested by foreign collaborators of the tenderer at their works shall not be acceptable for indigenously manufactured equipment.

(B) For indigenous bids under valid foreign collaboration.

(i) The offered indigenously manufactured or collaborators manufactured equipment should have been type tested and report submitted with the tender.

(ii) The collaborator's equipment shall have three years operating experience under tropical climate.

9. FOR TRIAL SUPPLIERS:

Purchaser at his discretion may consider to award trial order, only if regular suppliers are not available in sufficient number and there seems to be lack of competition.

10. **Manufacturer:** The tenderers shall themselves be manufacturers of 33 KV outdoor CT.

11. **Turnover Requirement:** The bidder should have a minimum average annual turnover of Rs. 1.93 Cr. per annum for the best three years out of the last five financial years. The audited balance sheet shall be enclosed in support of the same above, failing which the bid shall not be considered responsive.

12. **Manufacturing experience:**

The tenderers must have experience of manufacturing/ supplying 10% of tendered quantity of tendered item or higher rating in last five calendar years i.e. 2019, 2020, 2021, 2022 & 2023 to Government/government undertaking/power utilities companies directly or through EPC contractor failing which their offer part-III (price bid) may not be considered for opening..

13. **Operational experience:** Offered equipment should have given one years proven trouble free operational service in tropical climate prevailing in India.

7. Note:

(a) Type test report for 0.2 accuracy class may be considered for evaluation purpose along with 0.5 accuracy class.

(b) If the firm submit type test report of 0.2 class accuracy with bid , then the firm has to submit accuracy test report for 0.5 class at the time of agreement and this report shall be presented at the time of inspection to concerned inspecting officer also.

All statements and claims regarding turnover, operational and manufacturing experience and production capacity should be duly supported by authenticated copies of documents without which the tender is liable to be rejected summarily. PVVNL may call the tenderer to produce original purchase order/despatch instruction or any other document for verification of submitted documents during the evaluation of their bid. The bidder is also required to submit an affidavit on stamp paper regarding the firm not being blacklisted by any government

utility anywhere in India. If any information provided by the bidder is found to be concealed, suppressed or incorrect at the later date, may lead to not only the cancellation of purchase order, if placed by on the tenderer, along with imposition of financial penalty and business debarment.

Note: If the firm is qualifying all the prequalifying criteria and participating first time for tendered item or have not supplied similar item in UPPCL, the factory inspection may be carried out for certain parameters as manufacturing/ operational experience /production capacity, financial capabilities and certain NOC from competent authority as: for security clearance for fire and accidents and other regulatory requirements. If the firm do not meet out the required criteria for factory inspection, the bid of the firm shall not be considered for further evaluation.

PVVNL reserves the right to waive minor deviation if they do not materially affect the capability of the applicant to perform the contract.
