The tenderer shall have to submit the details in following proforma

Year	Complete postal address including designation of authority placing order	Order no. & date	Quantity Ordered (Nos.) (Similar ratings and higher rating)	Qty. supplied during the year ( Similar ratings and higher rating)	Balance quantity to be supplied against orders in hands
1	2	3	5	6	7
Calendar Year 2020					
Calendar Year 2021					
Calendar Year 2022					
Calendar Year 2023					
Calendar Year 2024					

In case the quantity manufactured in less than the quantity by bidders, previous years may also be included in case sufficient bids are not found in the tender.

The tenderer shall have to submit self attested copies of purchase orders & dispatch instructions to substantiate the above details failing which their bid may not be considered. If tenderer does not submit the proforma & only encloses the copies of purchase orders & dispatch instructions, then their bid may not be considered.

5. **Minimum quantity to be quoted** :-20% of the tendered quantity.

**6. Testing Facilities:**

The tenderer must have all necessary facilities at their works for carrying out such routine and acceptance tests as prescribed in the relevant ISS and any other routine and acceptance test as specified in the specification. Documentary evidence of existence of such facilities will be filed alongwith the tender.

**7. Type Test:**

**(A) For indigenous bids or fully imported bids:**

The offered equipment i.e. 33 KV lightning arrestor must have been fully type tested as per relevant ISS and/or any other specified international standards during the last 5-year period to be reckoned from the date of opening of tender. Photocopy of such type test reports/certificates must be submitted along with tender bid. The type test certificates of proto type manufactured and tested by foreign collaborators of the tenderer at their works shall not be acceptable for indigenously manufactured equipment.

**(B) For indigenous bids under valid foreign collaboration.**

- (i) The offered indigenously manufactured or collaborators manufactured equipment should have been type tested and report submitted with the tender.
- (ii) The collaborator's equipment shall have three years operating experience under tropical climate.

**Note: 1- Any Certificate issued by the Chartered Accountant must have Unique Document Identification Number (UDIN) failing which the C.A. certificate may not be considered.**

- 2. All statements and claims regarding turnover, operational and manufacturing experience and production capacity should be duly supported by authenticated copies of documents without which the tender is liable to be rejected summarily. PVVNL may call the tenderer to produce original purchase order/dispatch instruction or any other document for verification of submitted documents during the evaluation of their bid. The bidder is also required to submit an affidavit on stamp paper regarding the firm not being blacklisted by any government utility anywhere in India. If any information provided by the bidder is found to be concealed, suppressed or incorrect at the later date, may lead to not only the cancellation of purchase order, if placed by on the tenderer, along with imposition of financial penalty and business debarment.**

**Note: If the firm is qualifying all the prequalifying criteria and participating first time for tendered item or have not supplied similar item in PVVNL, the factory inspection may be carried out for certain parameters as manufacturing/ operational experience /production capacity, financial capabilities and certain NOC from competent authority as: for security clearance for fire and accidents and other regulatory requirements. If the firm do not meet out the required criteria for factory inspection , the bid of the firm shall not be considered for further evaluation.**

**PVVNL reserves the right to waive minor deviation if they do not materially affect the capability of the applicant to perform the contract.**
